CLOVIS HIGH SCHOOL TEACHER SELECTED AS WINNER OF THE 2011 PROSTART EDUCATOR TRAINING & DEVELOPMENT AWARD

The National Restaurant Association Educational Foundation announced that Judy Uerling, Clovis High School ProStart Instructor, was selected as a winner of the 2011 ProStart Educator Training and Development Awards. This is a professional development scholarship for foodservice secondary and post-secondary educators who want to compliment classroom time with additional industry knowledge.

ProStart is a nationwide, two-year high school program that unites the classroom and industry to develop the best and brightest talent into tomorrow's restaurant and foodservice leaders. ProStart educators deserve special professional development opportunities; therefore, the ProStart program, in conjunction with participating sponsors, rewards educators with training and development awards.

Judy will participate in a week of intensive training with Golden Corral at their Corporate Headquarters in Raleigh, North Carolina. Golden Corral will provide Judy with a variety of training workshops designed to teach the skills necessary to effectively perform many of the tasks and functions required of professional managers. Additionally, Judy will learn cutting-edge skills to take back to the classroom to prepare her students for a career in the restaurant and foodservice industry.

Congratulations to Judy Uerling and the CHS ProStart Program.

The mission of the Clovis Municipal Schools, an alliance highly committed to educational excellence, is to equip each student with the knowledge and skills needed for a productive life of creative thinking, continuous learning, and exemplary character through challenging and engaging learning experiences led by a dedicated, unified team in vital partnership with family, church, and community.
