Dear Parent/Guardian:

Congratulations on having a student enrolling in Middle School! In an attempt to avoid any unnecessary meal charges to the account we just wanted to take a minute to assist you to start the new school year without worry.

Marshall Middle School: If your student enrolls at Marshall Middle School, no application will be required, and the Provision II status will continue.

Yucca Middle School: If your student enrolls at Yucca Middle School a Free and Reduced Application **will be required**. For those students attending Yucca Middle School meals at no charge will continue for the first 30 days of the 2011 - 2012 School Year, and if the new year's application has not been processed on or about the end of September 2011, your student will automatically go to Full Price Meals, **and you will be responsible for all charges made to the account**.

We are asking parents/guardians to take a minute to come by our office at 1009 N. Main Street after July 15, 2011, and complete the 2011 – 2012 Free and Reduced Meal Application. We cannot stress enough the importance of taking care of this before school begins to avoid any unnecessary charges to the account.

If you have any questions, please call our office at (575) 769-4300. Thank you for your assistance.

Have a great summer.

Sincerely,

Paul Klein
Director of Child Nutrition
